Observations... From Around Town

(BY JAY WHOZIT)

Our City affairs have reached a deplorable stage—Mayor Blaise is confined to his home due to illness—Commissioner Bourgeois is ill at the present time and has been in a New Orleans Hospital for a few days for a check up and observation—he is due back today and will have to take it easy for a short period, and frankly it has near about become a rudderless ship—the workmen have quit their jobs for the reason we understand that they have not been paid—garbage is sitting on the sidewalks all over town for the past week and has not been collected—a very unpleasant sight as well as unhealthy situation—the cure as we see it—there is yet two and one half months before the new administration takes office—some one owes a patriotic and civic duty to our city and its citizens—the question of a month or two's salary should not be the primary thought of any individual when a situation of this type arises—it is unfortunate that Mr. Blaise is sick, for we feel that with the assistance of Mr. Bourgeois who will be able to back on the job shortly the situation would probably be cleared up nevertheless something must be done—the proper course if Mr. Blaise's health will not permit him to attend to his duties would be for him to retire and allow the Governor or whoever may have power to name Mayor elect Warren J. Carver as Mayor for the balance of the present term—and two Commissioners Perkins should step aside and allow the appointment of Commissioner Sylvan J. Ladner to be made—The new mayor and the commissioners might then be able to work out the financial affairs of the City to better effect and the work that is absolutely necessary may go on, Mr. Mayor and Commissioner Perkins you have an opportunity to render this patriotic service to the people of Bay St. Louis who have rendered you many favors—Think it over... We had our first taste of cold weather when we awoke to a 40-degree temperature on Monday morning of this week, a record low for this time of the year, but boy weather like this really puts pep into you... Bay High School will celebrate their homecoming on Friday night, November 5th, at Stanislaus Stadium, with a football game against Demonstration High of Hattiesburg, special ceremonies at half-time, and winding up with a dance at Bay High Gym... City Commissioner Bourgeois was in Baptist Hospital, New Orleans, this week for observation and treatment, but according to latest reports he is doing better and should be back at his post in the city hall in a few days... The REA meeting at Bay High School last Saturday was really well attended with more than twelve hundred out-of-town visitors registering during the day. The display booths of the various firms showing the latest in electrical appliances and equipment, were well worth seeing and would have done credit to any city much larger than our own... We doff our hats to those who made these displays possible... just nine more days to get your automobile license tag without paying a 25% penalty, which will be imposed after November first... Saint Stanislaus football team has accepted an invitation to play in the CYO Bowl game at Alexandria, La., on Thanksgiving Day, November 25th... The L. & N.'s crack train, the Hummingbird, will stop here on Saturday, November 6th to pick up the Stanislaus Flea and Fly team, their coaches and supporters, who leave that day for Birmingham, Ala., where the midwest footballers will play in the Toy Bowl game, their second appearance in this annual classic... sample ballots for the November 2nd General Election have been mailed out from Jackson, this week, and should be in the hand of the printer next week... a news report from Jackson this week, says that some 1500 Mississippians will be called up October 25th, for selective service physical examinations; of these 500 will receive examinations in Jackson, 400 in Hattiesburg and 600 in Columbus... the highway department is completing the work of hard-surfacing the highway bridge, which when finished will put the bridge in first-class condition once again... we understand the football game between Stanislaus and Catholic High originally scheduled for Sunday, November 7th at Baton Rouge will be played on Friday night, November 5th, because of the trip to Birmingham on Nov. 6th.

Pre-Prayer Service To Be Held at First Baptist Church

The preprayer service to be held in the First Baptist Church in preparation for the revival which will open on October 31st and continue through November 7th, will begin on October 25th. The services will be held at the church each morning during the week at 9 o'clock.

Bay-Waveland Garden Club Celebrates Tenth Anniversary At Home Of Mrs. E. M. Weston

The Bay-Waveland Garden Club celebrated its tenth birthday on Thursday, October 14 in conjunction with its regular monthly meeting held at the home of Mrs. E. M. Weston on South Beach. Many of the charter members present.

The business session was presided over by Mrs. J. R. Rollins. Plans were made for attending the regional meeting of Garden Clubs of Mississippi to be held at Collins, November 4. A letter was read announcing that the club had been placed on the State Honor Roll for the past year.

Mrs. Mogabgab reported on the meeting of the executive Board of the Gulf Coast Council of Garden Clubs in Gulfport which she and Mrs. E. P. Kirkpatrick attended. She read an invitation from the New Orleans Garden Circle to participate in the Amariyllis show to be held in New Orleans at an early date.

The past presidents, Mrs. E. P. Kirkpatrick, Mrs. Leo W. Seal, Mrs. Frank Kiefer, Mrs. J. T. Prowell, Mrs. J. R. Scharif, Mrs. Eugene Mogabgab and the present president Mrs. J. R. Rollins, were each presented with a gardenia corsage. The charter members Mrs. E. P. Kirkpatrick, Mrs. E. M. Weston, Mrs. Alice Buckley, Mrs. E. C. Carrere, Mrs. Leo W. Seal, Mrs. Charles G. Moreau, Mrs. Max Kohler, Mrs. W. M. Briggs, Mrs. H. Glover, Mrs. J. A. Evans, Mrs. A. P. Smith, Mrs. W. J. Gex, Mrs. Eugene Mogabgab, Mrs. Gus Terry, Mrs. Waldo Otis, Misses Louise A. Crawford, Elsie Spurl and May H. Edwards, were introduced.

Reading of the Minutes of the first meeting held showed that the club had a membership of 18 which has grown to a membership of 100.

A report was read by Mrs. George Stevenson saying that during the ten years of its existence the club has contributed annually to the Hancock County Chapter American Red Cross; Infantile Paralysis drives; China Relief; European Food and Clothing Drives; answered local calls for help, the most outstanding of which was \$500.00 given to the Kings Daughters Hospital; defrayed the expenses of painting the interior walls of the hospital; decorated the hospital for the Christmas seasons and made wreaths for the doors of the churches.

The club is continuing to entertain hospitalized veterans and have supplied books and refreshments for the men.

It sold more than \$17,000 of War Bonds and purchased a \$75 bond for

Woman's Missionary Society Met At The Home Of Mrs. Eugene Davis

Circle No. 1 of the Woman's Missionary Society of the First Baptist Church met on Tuesday afternoon at the home of Mrs. Eugene Davis with almost 100 per cent attendance.

Mrs. John T. Dearing gave the opening prayer and the Devotional using as her scripture Ecclesiastes 12:1 and took Samuel as the type of Christian Youth. She called attention to the fact that when God said who will help us Samuel said, "Where am I, Lord?" The general theme "Youth and the Kingdom" was discussed by Mrs. R. C. Thompson who talked on "When Christ Calls, Youth Answered" and said that so many young people today were answering the call to do missionary work and Mrs. W. W. Weber who talked on "What Other Youth Are Doing" and told of instances of the missionary work being done in other parts of the world. She especially told of the work of the young minister who is a missionary to Japan and how he had worked to Christianize the people of that country. She said that the people there like sweets and suggested that a box of candy be sent him, to give to the children with whom he is working. This was agreed upon and the candy will be sent this week.

Mrs. Davis served refreshments and a social time was enjoyed.

Coast Electric Power Association Purchases Lot— To Erect New Office Building

The Coast Electric Power Association has purchased from Anthony Trapani, the lot at the intersection of Main Street and Highway 90 for the purpose of constructing their new office building, garage and warehouse. The estimated cost of the building is \$75,000.00.

The tract of land purchased from Mr. Trapani is an area of approximately two acres and offers an opportunity for a building, which will be a credit and an asset to Bay St. Louis.

Biggs, Weir and Chandler, architectural firm of Jackson, Miss., have been employed to prepare plans and specifications for the building. This firm are specialists in this work having prepared the plans for eight other Rural Electrification office buildings.

Construction will begin soon after the first of the year.

Over 1250 Attend Meeting Of Coast Electric Power Ass'n

Congressman William M. Colmer Addresses Meeting— Board of Directors Named—Manager And Secretary-Treasurer Reports on Fiscal Affairs of Association Received—Appliance Dealers Displays Attracted Much Attention—Prizes Awarded.

The dealers gave valuable prizes and the winners of these prizes were: Waffle Iron—Demorans Radio Service, Bay St. Louis—won by Dolores Ladner, Perkins, Route B. Radio—Firestone Stores—Gulfport—Mrs. C. A. Mavelette, Route Three, Gulfport. 10,000 merchandise certificate—Lamar Oils—won by J. K. Saucier, Pass Christian, Miss. GE Electric Blanket—Crosby Stores, Bay St. Louis—won by Geraldine Lafontaine, Lakeshore, Miss. Radio-Phonograph—Leader Furniture Store—won by Mrs. Cornelia Favre, Kilm. Electric Fan and Heater—Sears Roebuck, Gulfport—won by Mrs. George Kramer. Heating Pad—Sears Roebuck—Gulfport—won by Mrs. L. Campbell, Picaune, Miss. Radio—W. A. McDonald & Sons—Bay St. Louis—won by Rachael Smith, Poplarville, Miss. Portable Radio—Earl Ramond Electrical Appliances—won by Pauline Russ, Bay St. Louis. \$5.00 Merchandise Certificate—McDaniels Refrigeration Service—Gulfport—won by Miss Elsie Spurl, Bay St. Louis. The \$10.00 certificate by the same firm was won by Mrs. Georgia Creel, Bay St. Louis. Electric Clock—Stevenson's Radio & Electric Service—won by Mrs. Dennis Cuevas, Pass Christian. The Pressure Cooker, by the same firm was won by Henry Rester, Poplarville, Miss. Westinghouse Automatic Iron—Atlas Electrical & Supply Company, Picaune—won by Mrs. William E. Shaw from Hancock County. Harvey Burks, Randall Rester and Ernest Clark from Pearl River County; and Fred Ladner, B. F. Morris and P. J. Morris from Harrison County.

Mr. H. Hardin Shattuck, Manager of the Coast Electric Power Association, presided during part of the meeting and gave the managers and Secretary and Treasurer's report.

Jack Brown's string band featuring Wayne Singleton and Bill Dobson furnished the music.

The meeting probably brought forth a display of appliances and electrical equipment by the dealers of Bay St. Louis, Picaune and Gulfport, which was a credit to a

EPISCOPALIAN RECTOR INJURED IN GAS EXPLOSION

Reverend Charles R. Johnson, newly appointed Rector of Christ Episcopal Church, is a patient in Touro Infirmary in New Orleans, as a result of having been severely burned about the face and hands on Sunday morning when a gas explosion occurred in his study. He was rushed to the Kings Daughters Hospital and was later transferred to New Orleans for treatment.

Mr. Johnson and his mother occupy the former Sam Whitfield home on Phillips Street and the garage apartment on the premises had been converted into a study for the young minister. Preparatory to leaving for his church, where he was to deliver his first sermon as Rector, Mr. Johnson returned to his study to look over his sermon notes, and while there struck a match, and escaping gas, which had accumulated in the room, exploded burning him about the hands and face. The explosion was of such force that it blew out the north end of the building, tore boards off the entrance and damaged the east side of the building. It destroyed a bookcase containing a large portion of Mr. Johnson's library, his Bible and his desk.

Reports from the hospital are that though he is severely burned, his condition is not alarming.

From the reports of the cause of the explosion it appears that a heater in the room had been removed and that a plug or cap had not been placed on the pipe at the time. When Mr. Johnson's bookcases were removed into the building one was placed over the gas outlet and that from this source the gas escaped and accumulated in the room.

Lakeshore Home Demonstration Club Met On October 13th.

The Lakeshore Home Demonstration Club met on Wednesday, October 13 at 2 p. m. at the home of Mrs. Reginald Moran with the following members present: Mesdames Reginald Moran, William Spence, Charles Peterson, Lambert Bordage, R. J. Ladner, Horace Russ, William Bordage, Harry Stone, Clarence Becker, Jack Fisher, John Erskine, Rufus Luxich, William Spence, Charles Peterson, and Ruth Miller.

The major part of the business session was the election of officers which resulted with the following officers being elected: Mrs. Moran, president; Mrs. Fisher, vice-president; Mrs. Erskine, secretary; Mrs. Stone, treasurer; Mrs. Rufus Luxich, garden leader; Mrs. Fisher, Better Homes chairman.

Plans were made for the coming year's meetings of the club. Miss Madge Allred, Home Demonstration Agent was unable to meet with the club but will be present at the November meeting.

Funeral Services For Henry Carver Held Held At Logtown

Henry Carver, life resident of Logtown, died on Friday, October 15. His funeral was held on Saturday, 16 with interment in Logtown cemetery.

Surviving are his wife and son and daughter.

Mr. Carver belonged to one of the very earliest families of this county. His brother Aristide Carver is a resident of Gulfport.

Mr. Carver had been ill for many years.

Mrs. Camille Webster Falls And Suffers Broken Leg

Mrs. Camille Webster fell at her home on Monday and broke her leg. She was taken to the Kings Daughters Hospital where it was set and she was later allowed to return to New Orleans with her daughter.

Mrs. Webster had gone in the yard to pen her chickens when her dog ran across her path causing her to fall. The break was between the knee and ankle.

Represent First Baptist Church At Association Meeting

The First Baptist Church was represented at the Coast Association meeting held at Woolmarket on Tuesday and Wednesday evening of this week by Rev. and Mrs. John T. Dearing, David Dearing, Mr. and Mrs. Homer Gregory, Mr. and Mrs. R. C. Thompson, Mr. and Mrs. W. W. Weber, Jim Burge, L. C. Thompson, Mrs. Earl Raymond and Mr. and Mrs. David Middleton.

Mr. Dearing preached the Association sermon taking his text found in Joshua 7:13.

Little Aloysius Dahl Prize Baby Of Kings Daughters Hospital

Have you seen Aloysius? He is now five months old and weighs 15 pounds and loves company. His home in the Kings Daughters Hospital where everyone is his friend. He was brought back to the hospital where he was born, when he was four weeks old suffering from malnutrition and now he is a prize baby. He has everything he needs—beautiful clothes, a chair swing, a bed all his own and a smile for all of his friends. He likes to be noticed too and has a way of letting one know when he is not being given the attention he thinks is due him.

He is the son of Mr. and Mrs. Fred Dahl of Blue Meadow road and a living example of what proper care will do.

ROCKCHAWNS LOSE TO PICAUNE 19-7

The winning streak of the St. Stanislaus Rocks was broken Friday night by a surprisingly strong Picaune Maroon eleven that was able to take advantage of all breaks and rack up a 19-7 score.

The Rockchaws started the game with their usual gusto, going for a touchdown, the first time they had the ball in their possession. Starting on their 27 yard line, the locals marched 73 yards in a sustained drive with Captain Joe David going over for the score. At this point in the game it looked as if it would be a typical Rockchaw rout, but the Maroon Tide stiffened and slowly started taking over the ball game.

Picaune scored in the second quarter, but failed to make the extra point. At half time the Rocks led 7-6.

In the third quarter a Rock pass was intercepted by Jarrel of the Maroons and returned to the 1 yard line. In the fourth quarter Jarrel took another Stanislaus aerial and returned it for the third Picaune tally.

The Rocks have an open date this week end, but meet the strong Aloysius squad Oct. 29.

BAY HIGH TROUNCES O. L. V.

Bouncing back from their defeat by Pass Christian, the Bay High Tigers rolled over the O. L. V. gridders of Pascagoula last Thursday night by a score of 20-0. The Tigers, blowing hot and cold thru this season, are a young bunch of athletes and are steadily improving with each game.

In the first quarter, the Tigers jumped into the lead on a 25 yard touchdown pass from Herman Price to Irving Prevost, with Curtis Colson adding the extra point after the score. During the second quarter play rocked back and forth very evenly with the Tigers leading 7-0 at half time.

Early in the third quarter, after a sustained drive of 65 yards, Price scored from the 3 on a quarter back sneak.

In the fourth quarter, Clyde Favre took the ball on a tricky tackle around play and literally ran over the O. L. V. team to score the third touchdown.

The return of half back Irving Prevost to the lineup, out with an ankle injury since the Long Beach game, has strengthened the Tiger backfield.

Coast Baptist Association To Hold Pre-Prayer Services at Gulfport

Revival services will be held in all churches of the Coast Baptist Association beginning on Sunday, October 31st, and continuing through November 7th. In preparation for the Revival services an association Pre-Prayer service in which all the churches of the association will participate will be held in the First Baptist Church in Gulfport on Thursday, Friday and Saturday, October 27, 28 and 29 at 7:30 P. M. with the Pastor Rev. J. T. Odle in charge.

The Praise and Prayer Service each night will be conducted by Reverend J. T. Dearing, Pastor of the Bay St. Louis Church. On Thursday night Visitation on Friday evening Rev. Don Martin, Pastor of the East Gulfport Baptist Church will talk on Soul Winning; on Saturday evening there will be individual testimonies by different pastors on outstanding revivals they have held.

Representatives Of Local REA To Attend Meeting in Louisville, Kentucky

J. William Watts, Jr., Director of Operations of the Coast Electric Power Association, John S. Rester, Secretary and Treasurer of the Association, W. Harvey Burks, Vice President and B. F. Morris, a Director will attend the regional meeting of the National Rural Electrification Cooperative Association of the States of Mississippi, Alabama, Tennessee and Kentucky, to be held in Louisville, Kentucky, on Monday and Tuesday of next week.

In attendance at this meeting will be the leader of Rural Electrification work in the United States.

The group will leave on Saturday night and return next Wednesday.

Mr. and Mrs. Frank L. Danahy of Pittsburg, Pa. were visitors at the home of Mr. and Mrs. A. C. Enclis.

Mr. and Mrs. Floyd Ames of Hattiesburg spent the past week end here with Mr. Aime's sister, Mrs. Rosa Sigerson.

Rev. H. Bufkin Oliver Reappointed To Main St. Methodist Church

Rev. H. Bufkin Oliver, has been reappointed by the presiding Bishop of the Mississippi Conference as Pastor of the Main Street Methodist Church. Reverend Mr. Oliver has served one year as pastor of the local Methodist Church and has endeavored himself to his congregation and has created a spirit of cooperation among his church members.

He is a graduate of Emory University School of Theology, and served in the New Jersey Conference before coming to Mississippi. He was pastor of other Mississippi churches before he received his appointment to Bay St. Louis.

Ladies of Episcopal Church To Hold Rummage Sale Oct. 29-30 at WOW Hall.

The ladies of the Episcopal Church will hold their rummage sale on Friday and Saturday, October 29-30 at the W. O. W. Hall on Second Street.

Anyone having any rummage to contribute please leave it with Mrs. Lyman, 111 Second Street or call Mrs. N. L. Carter at phone 282 and it will be picked up.

—Professor and Mrs. David Graham had as their guests the past week Mr. and Mrs. George L. Duncan of Burlington, Mass. Mr. and Mrs. Duncan left here to visit Mr. Graham's sister Mrs. Percy L. Lusk of St. Simon's Island, Georgia.

—Mr. Al Voight, our Gulf Chevrolet Dealer, made a business and pleasure trip to Wichita, Kansas, last week, with stopovers at Hot Springs and Little Rock. Arkansas. Mr. Voight reports a very pleasant trip which was made by plane.

—Miss Irma Kenney, Sophomore student at Louisiana State University has been pledged to Alpha Omicron Pi sorority. Miss Kenney is majoring in music.

—Dr. and Mrs. O. F. Shoen Voegel of Houston, Texas, were guests here on Wednesday of Dr. and Mrs. T. B. Sellers. Dr. and Mrs. Voegel were enroute to Gatlenberg, Tenn. on their wedding trip and stopped to spend the day with Dr. and Mrs. Sellers.

—Visiting Mr. and Mrs. Wilmer Thibaux on Sunday were Mr. Thibaux's father and mother Mr. and Mrs. Avery Thibaux. Mrs. Thibaux's mother, Mrs. Ector Little, Mr. and Mrs. Ravis Thibaux and four children, Patsy, Coral, Preston and Mary Margaret of New Iberia, La.; Mr. and Mrs. Roy Hebert and two daughters, Geraldine and Jerry of Lafayette, La.; Mr. and Mrs. Presley Delcambre and two children Rudy and Barry of Picaune, Miss.

—Charles Zerr has been removed from the Touro Infirmary following a major operation which he underwent on Monday of this week. Mr. Zerr is confined to the house but is making a steady recovery.

—Mrs. Marshall Ballard, Sr., who has been a patient at Hote Dieu in New Orleans for the past several weeks is much improved. She has been removed to the home of her daughter Mrs. Charles Seaman.

—After the investiture ceremony of four new members of the Girl Scout Troop II, the young ladies were given a welcoming party. The center of attraction was the large cake, which was decorated with pins for the new members. They were Janet Genin, Noleen Ladner, Gertrude Norman and Linda Wilson.

—Mr. and Mrs. George M. Fairchild of Meridian spent Thursday of last week here with the latter's mother, Mrs. Evelyn Terrell who resides with her niece, Mrs. M. A. Gilmore. Mrs. Terrell accompanied them to New Orleans on their trip back to their home.

—City Commissioner W. L. Bourgeois is a patient at the Baptist Hospital for observation and treatment. His condition is not considered alarming.

—Mr. and Mrs. Bush Goss of Laurel are visiting Mr. and Mrs. Harry L. Sumrell at their North Beach home.

Scott T. Assenheimer Dies Of Heart Attack At Gulfport

Scott T. Assenheimer, 45 year old Bay St. Louis resident died at Gulfport, on Friday morning at 9:45 o'clock following a heart attack which he suffered in the Hancock Bank at Gulfport on Friday. An ambulance took him to the Memorial Hospital but he was dead upon arrival there.

The body was brought to the Fahy Funeral Home in Bay St. Louis and was taken to New Orleans on Saturday morning. The funeral was held from the House of Bultman in New Orleans on Saturday with interment in Metairie Cemetery.

Mr. Assenheimer was a native of New Orleans and resided here for the past three years. He had been connected with the Lykes Brothers Steamship Company for a number of years having served as traffic manager of the Lykes Continental Lines Service in New Orleans. On June the first he was sent to Gulfport to take charge of the company's offices there. In 1942 he left the Lykes Company and joined the United States Army Transportation Corps as marine superintendent of the port of embarkation in New Orleans. He returned to the steam-

ship company in 1946.

Surviving him are his widow Mrs. Catherine Assenheimer, a daughter Miss Brenda Assenheimer, two sons Scott T. Jr., and Alexander Assenheimer all of Bay St. Louis. He also leaves three brothers Emmett, Elmer and Francis Assenheimer.

KILN 4-H CLUB SPONSORS DANCE FOR MILO-METER FUND

A. L. Shepard, Agriculture instructor in the Kiln Vocational High School, sponsored a dance on Thursday night given by the 4-H Club of the school for the milo-meter fund.

There was fun and food for all. Music was furnished by the Kiln band.

The cake walk during the intermission gave every body a chance to win a cake and brought out the crowd.

"OSSIAN HALL," PASS CHRISTIAN'S HISTORICAL MANSION NOW MADE AVAILABLE TO VISITORS

Historical "OSSIAN HALL," set back from the sunny shores of picturesque Pass Christian and linked with many famed Louisiana names, in its existence of over one hundred years, is now opened to visitors through its owners Mr. and Mrs. Hubert DeBen, of social and civic prominence, New Orleans, and the Gulf Coast.

Writers and photographers have spread the wonders of the Mississippi Gulf Coast and of Pass Christian, far and wide; surely, "Ossian Hall" will be a legendary treat to the pen of one or all. This historic mansion respects no season, but is open to the stream of visitors who haunt our sunny south from 9 a. m. to 5 p. m. daily.

"Ossian Hall" was built over one hundred years ago, by Seth Guion of Louisiana. He began the two-story roomy residence in 1740, choosing the most carefully selected of all heart pine for its durability.

Later, the well-known, MILTENBERGER family purchased this estate. (Then transportation to Pass Christian was by boat, and supplies of beefs and poultry and fruit from this table, would come down from New Orleans.) From the Miltenbergers, from Illinois, Mrs. Clark purchased this property; and it was here that the famous, lovely, red-head screen actress, MARGUERITE CLARK, made at "OSSIAN HALL" the picture "Come Out of the Kitchen." Twin States Realty then purchased the property, and then Mr. and Mrs. James F. Galloway, it was the Galloways who named this mansion "Ossian Hall" after their kin JAMES MACPHERSON, who was a writer and who wrote "The Works of Ossian in 1765. MacPherson was a Scottish Gaelic writer of note, and this name seemed to be the perfect answer to this imposing beautiful landmark, with its Ionic

Columns and its Greek temple facade. From the Galloways, Mr. and Mrs. Hubert De Ben of New Orleans purchased the home and Mrs. De Ben's dream of restoring it to its original elegance and its dignified mansion dress is found today in "OSSIAN HALL"—a thing of rare beauty—a joy forever to the eye of the visitor.

"Melanie" (Mrs. De Ben) the charming and gracious mistress of "Ossian Hall" seems like a story-book ending for this famed residence. Petite, vivacious, with never-ending energy and the ability to do things to perfection, "Melanie" has taken "Ossian Hall" and restored it to beautiful, rich, enchanting being. Greek, Italian and French mantles take the eye of the visitor as you are welcomed from the beautiful shining porch of "Ossian Hall" into the entrance of the dignified old mansion.

By Mrs. Myrtle McDermott

News Of Our Colored People

GENEVIEVE HARRISON, REPORTER

—The Womans Division of Christian Service held their weekly prayer service Wednesday evening at the home of Mrs. Georgia Grisby. Those attending were Mrs. I. Robinson, Mrs. G. Polloade, Mrs. G. V. Dennis, and Mrs. A. Sylvester.

We regret very much that Mrs. Joseph Labat, Jr., is on the sick list and wish for her a speedy recovery.

The Sheltering Rock Benevolent Association held their regular monthly meeting at the 100 Mens Pavillion Monday, October 11th.

—The St. Rose De Lima School Band rendered an interesting recital a few Sundays ago in the school auditorium. Each pupil entertained with a number.

The prize which was offered to the one receiving the highest vote was awarded Clementine Smith the youngest daughter of Mr. and Mrs. Albert Smith of Neceaise Ave.

The St. Rose De Lima School band marched the "Bay Tigers" and the "Mobile Bears" to the field Sunday, Oct. 17th.

—Mrs. Ruth Keyes Johnson of Ocean Springs and Mrs. Genevieve Harrison motored to New Orleans Saturday to witness the Dillard-Rust football game. It was interesting to note that quite a few of the Gulf Coast High School graduates are enrolled in these two schools and are active in school athletics.

—On Sunday afternoon "The Bay Tigers" played the "Mobile Bears" here in St. Stanislaus stadium. The game was a thriller, keeping every one on edge as to who would emerge the victor. Mobile showing a fine aerial offense and Bay St. Louis demonstrating an overwhelming defense by holding them to one touchdown.

The "Bay Tigers" will again demonstrate their fine football skill Sunday when they will play Pascagoula in the St. Stanislaus Stadium.

The writer of this column would appreciate those having news notes to please send them in before Tuesday of each week.

St. Joseph Academy Junior Garden Club Group Held Their First Meeting Wednesday Afternoon

The first meeting of the Bay-Waveland Junior Garden Club—St. Joseph's Academy group, was held on Wednesday afternoon, October 13th, 1948.

Members were enrolled and work begun on club badges and scrapbooks. Each child in the first group made his or her own badge of a purple iris (the club flower) on green satin ribbon and selected favorite colors for scrapbook pages. The Second Group of older children, because of an unexpectedly large attendance, did not complete this project but will do so at the next meeting.

Registered members are: First Group—Grade 1: Inez Favre, Robert Camors, Jr., John Wagner, Warren Carver, Jr., Delta Jacobi, Bobby Benigno, Peggy Nunez, Everett Kergosien, Kathy Burns, Ronald Favre, Jane Stiefel, Lavell Griffin, Brenda Ladner, Micky Demoran, Edward Collier.

Grade 2—Freddy Bourgeois, Nerle Ann Sones, Pat Curran, Rosemary Compretta, Billy Joe Kennedy, Lynn Fernandez, Gerald Scafide, Elsie Benigno, Herman Jacobi, Gwen Heitzmann, Rosalie Wagner, Irma Santinello, Millie Piazza, Elinor Larroux, Mary Jane Feau, Marie Elena Vassalli, Celeste Chevis, Lyette Kergosien, Linda Ann Ladner, Kathleen Weigand, Peggy Kergosien, Margaret Ann Favre.

Grade 3—Joan English, Linda Kay Fucich, Barbara Kidd, Patsy Morrealte, Angelina Hodaro, Barbara Demoran, Carol Kenworthy, Henry

Lang, Ames Kergosien, Gayle Seghers, John Griffin, Micky Ladner, Frank Sapier, Donald Compretta, Anne Blanchard, Donald Green, Nancy Ann Ryland, Gerry Bertucci, Josie Mae Compretta, Linda Lee Normand, Kathleen Joyce, Jackie Taylor, Gloria Jean Wheat.

Grade 4—Sandra Thompson, Olive Morris, Florence Morris, Brenda Delmann Judith La Nasa.

Grade 5—Frances Compretta, Nell Scott Horbert, Rose Estapa, Catherine Turpen, Marsha Blaize, Noleen Ladner, Catherine Stieffel, Jaynell Mitchell, Barbara Carr, Dominica Benigno, Bobette Carbone, Eugene Jacobs, Diane Brignac, Andrea Schick, Laurie Curet, Janell Egloff, Sheila Heitzman.

Grade 6—Patrice Poolson, Janette Monti, Dorothy Larroux, Mary Frances Ladner, Darling Normand, Beverly Arnold, Katherine Gilbert. Any child who did not register at this time is invited to do so at the next meeting, October 27th.

At the close of the work session refreshments were served and the children told to plan election of class officers at next meeting. The

Broiled Flounders
THE PINES

Hy 90 Phone 9108

entrance prize was won by Linda Ann Ladner.

The plan of the organization is to encourage appreciation of Mississippi's native plants, trees and birds. The interest shown by the young members was most gratifying.

Councillors for the meeting were Mrs. Tom Shaffer, Junior Garden Club Chairman, Bay-Waveland Garden Club and Mrs. Meryl Reeder and Mrs. Wayne Ducomb.

Messrs Emmett Harrison and Charles Lockley, of the Birmingham Electric Company flew down on Thursday and spent Thursday evening and Friday with Mr. and Mrs. R. J. Herring. The Harrings also had as guests Mr. and Mrs. E. W. Phillips of Gulfport.

Mr. W. W. James has been on the sick list for the past week but is reported better.

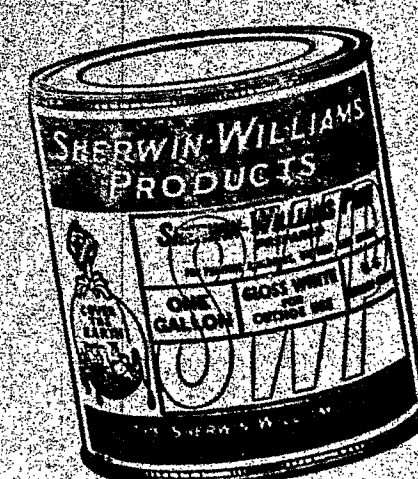

Mr. and Mrs. J. E. V. Holzer left this week for a visit to New York, Montreal, Quebec and other points. They will be absent for several weeks.

Meat of the Week
BY MARY LEE TAYLOR

Stuffed Spareribs

(Recipe below)

Fresh Cauliflower

Jellied Tomato Salad

Heated Rolls

Butter or Margarine

Baked Custard

NOTE: Stuffed items (most of the week specials) in ad will make the meal.

Stuffed Spareribs

3 cups 1/2-inch bread cubes, 2 days old
2 teaspoons salt
1/2 cup fat milk
1 cup finely diced apples

1/2 cup seedless raisins
1/2 teaspoon pepper
2 lbs. spareribs
(2 matching sections)

Turn on oven; set at slow (325° F.). Mix bread cubes with 1 teaspoon salt and the milk. When bread cubes have lost their shape, mix in apples and raisins. Sprinkle remaining 2 teaspoons salt and the pepper on both sides of the spareribs. Arrange stuffing on one section of ribs. Cover with other section. Tie with string. Put into baking pan. Bake 2 1/2 hours, or until very tender. Makes 4 servings.

*Drained, cut-up cooked pumpernickel can be used.

The County Health Department-It's Work And Responsibilities

Most of the people in our state are aware of the services offered to our citizens by the health department and most of them cooperate and assist in our health programs. As the years go by more and more responsibilities have been accepted by the health department and the plan has been broadened to where it now touches every endeavor of human activity.

If disease is to be controlled we must know where it is and what it is. Therefore, we must have a complete record of the diseases, the deaths, and the causes of these deaths. Along with this information we get the number of marriages, divorces and births. You probably would be surprised to know the number of people employed full time and part time in order to get this information must be furnished to the Federal Government in order to participate in funds allocated to the various states by the Federal Public Health Service.

Most of our work is planned in anticipation of what would happen if natural processes were left alone and no attempt made to control the evils that would be heaped upon us. Nature's processes are slow; she takes no short cuts and has no regard for time. Science does not propose to conquer nature but tries to imitate and co-operate with her. This gives us a chance to unlock her secrets and gain valuable information. Nature immunizes man against disease, we have as example.

The health department has at its disposal at all times fresh vaccines and sera used in the prevention of such diseases as diphtheria, small pox, whooping cough, measles and typhoid. These services are provided by the county and state and are free.

Polio cases are handled through your health department, which makes it possible to move the case without one minute delay to a hospital where all modern medical care can be given the patient, thus preventing crippling which might follow a delayed treatment. All the crippled children are handled through your health department and sent to the hospital that is prepared to handle that particular type case. Your

cancer cases are handled through your health department, so are your mental cases that must be hospitalized. These services are free to the patient.

Most of the cases of social diseases such as syphilis and gonorrhea, are treated by your health department or cleared through that agency and sent to our treatment centers. The mass x-rays for tuberculosis, and they run into the thousands, are made through your local health department. All of your cases, contacts and exposed persons in the homes where there is a case of tuberculosis get free x-rays through the health department.

The children in the first grades in the schools are given a physical examination each year, and those found with correctable defects are encouraged and helped in getting these defects corrected by members of your health department. The funds available through the department of education used to pay part of this expense in the correction of physical defects in school children are handled by the health department.

All the cases under quarantine and isolation are handled by the county health department.

In the field of sanitation the duties of the health department are manifold. This is the supervision of the wastes that come from the homes and places of business. The inspection of all places where food or drinks are prepared or served and the records of these inspections must be made and filed.

The people take for granted that the public water supplies are pure and potable. But your health department must know that this is true. Often and regularly samples are taken from all public water supplies and shipped in special containers under ice to your laboratory for bacteriological analysis. Plans for sewerage systems in towns and villages including schools and all other public buildings are provided by your health department.

Many of the babies born in the families of low economic level are delivered by midwives. Your health department tries to train these midwives in order that they may give better service. Expectant mothers that fall into this group must have monthly examinations to determine whether or not complications are creeping in and there would be danger or risk of life to either mother

Mrs. C. C. McDonald Gives Second of Series Of Talks At Methodist Church

Mrs. C. C. McDonald gave the second of the series of talks on America's Geographical "Frontiers" on Friday, October 8 at the Main St. Methodist Church sponsored by the Womens Society of Christian Service.

Mrs. McDonald spoke on Alaska: Politically, Economically, Socially, Industrially, and the work of the Churches.

"The church work in Alaska is causing closer relations among the churches," Mrs. McDonald said, "and is making us realize that it is a work for all denominations and not for one."

"The liquor situation in Alaska is our problem," she said asserting that people will not take up residence there unless some reform can be brought about.

Mrs. David McDonald talked on the work of Sheldon Jackson, a Presbyterian missionary in Alaska and what he has accomplished. Mrs. William Ross Pitcairn on the Seward General Hospital and the Sanatorium for tubercular patients.

Mrs. H. Buffin Oliver gave the devotional which was based on relationship to Alaskans from a standpoint of brotherhood.

Mrs. Robert Lee Hamilton will give the third discussion on Panama and the Virgin Islands on Oct. 15 and Mrs. T. T. Robin will give the fourth and last on Puerto Rico on October 22.

or baby. If so, such cases would be culled out and sent to a doctor for delivery. Silver nitrate must be supplied to the midwives to prevent blindness in these new born babies. The midwives equipment must be inspected to see whether they are clean or not and all necessary equipment is there.

Citizens are advised to make proper use of the local health unit, as its services are varied and in many cases very necessary.

1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year. Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employees.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25¢ an hour for every employee!

You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employees an annual raise which would average \$1500 per employee!

The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads,

they must have still further rate and fare increases.

Demands Unreasonable

These employees have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48¢ an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10¢ an hour.

Railroads Run for Everybody—Not Employees Alone

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. Everybody who enters railroad employment knows this.

Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!

Pearl River Junior College Homecoming October 22

Poplarville, Miss., Oct. 20.—Something new in the way of Homecoming attractions was being planned today by Pearl River Junior College alumni, past and present.

According to Mrs. Carl Stockstill, Picayune, who is chairman of the Alumni Association, "We plan to present everything on an informal basis. Homecoming is the time for old graduates to mingle with their fellow students, and new ones; not the time for formal ceremonies that scare many away."

LAMPTON WILLIAMS
Outstanding civic leader in Poplarville, Lampton Williams has arranged special ceremonies to be held between halves when the Pearl River Junior College Wildcats play Copiah-Lincoln. These ceremonies will honor Pearl River alumni who gave their lives during World War II.

A host of Pearl River graduates will stream onto the Poplarville Campus for the Homecoming attraction, which is being held, according to Williams, on Friday, October 22.

Funeral Services For Joseph C. Tremoulet Held in New Orleans

Joseph Charles Tremoulet died at his home in New Orleans on Saturday, October 9 at 11:50 o'clock in the morning. His funeral was held Sunday afternoon at 2 o'clock with religious services at St. Rose De Lima Catholic church. Interment was in St. Louis Cemetery No. 3.

Mr. Tremoulet is survived by his wife Dot Forstall Tremoulet; two sons Joseph Charles, Jr., and Pierre and two daughters, Miss Olga Tremoulet and Miss Yvonne Tremoulet.

The Tremoulet family were residents of Bay St. Louis for a number of years.

Ammate To Kill Trees

Fall is a good time to kill out inferior hardwood trees by using ammate, according to Paul Millsaps, Extension forester.

When undesirable hardwoods are killed, pasture areas may be improved, or in an area of mixed timber stand the pines may be released for quality growth.

By applying ammate in the fall, the farmer can utilize his own labor. In a woodland, one acre can be released by using ammate at the cost of four dollars or less.

To apply ammate, frills to hold the crystals are chipped near the base of the tree to be killed. A frill should be about one-half to one inch deep and about the width of an axe.

About one tablespoonful of ammate crystals should be placed in each frill.

More frills are needed as the size of the tree to be killed increases. A general rule is two frills for a six inch tree three for a 10 inch tree and four frills for a 12 inch tree.

Ammate should be applied to tree bases or stumps close to the ground so that it will kill the roots. Placing the crystals on the cut surface of

a stump or in a gill is more practical and effective than spraying foliage.

The chemical should be applied before weather is cold enough for trees to become dormant. Mr. Millsaps cautioned, Ammate is non-toxic to livestock.

Cost of ammate should not exceed 20 cents per pound when bought in 100 pound lots, Mr. Millsaps pointed out.

October is the month for sowing inoculated clover seed, and there are clovers well adapted to Mississippi which meet a number of different crop conditions.

Plant clover on a firm seed bed, advises W. R. Thompson, associate Extension agronomist. A seed bed may be firmed by either letting rain settle the land or by cultipacking before planting.

Do not plant on a soft bed, as small clover seed will be buried too deep by heavy rain if the soil is loose.

Three clovers, White, Crimson and Red are especially recommended in Mississippi.

White clover can be planted on oat land going into pasture, on prepared sod land or in combination with fescue. The recommended rate of seeding is five pounds per acre.

Fescue and clovers must be planted at the same time because the grass makes such rapid growth. Mr. Thompson pointed out. Clovers cannot be planted on old fescue sod without renovating, and the same is true on old heavy clover sod.

For best results, fescue should be frilled and covered one-fourth inch. However, it can be planted

with a cyclone seeder broadcast, or with a one-row planter, using a small seed plate.

Crimson clover can be sown on oats, ryegrass, grazed kudzu, clipped sericea or on mineralized sod land. Seed at 20 pounds per acre. Be sure there is plenty of moisture before planting crimson, the agronomist stated.

Red clover can be sown on oats or Johnson grass. Rate of seeding is 15 pounds per acre.

None of the clovers do well when planted in high, heavy sod.

Sergeant Stanford Oliver Re-Enlists In Army

Fort Lewis, Wash.—Sgt. Stanford E. Oliver, 38, son of Mrs. Edward E. Oliver, of Bay St. Louis, today reenlisted in the Regular Army for three years, according to the U. S. Army Recruiting office, Fort Lewis, Washington.

With the completion of his present tour of duty, Oliver will have tallied 20 years service towards his retirement. From 1929 to 1945 he was a member of the 5th Cavalry, and is now reenlisting to fill his own vacancy in the 2nd Cavalry Reconnaissance Troop of the famed "Spearhead" 2nd Infantry Division.

"To maintain Borden leadership in scientific and sanitary requirements, to deliver this vital food to you when you need it, regardless of difficulties. Finally, to bring Borden's to you at a price that will enable millions to enjoy milk that can be depended upon . . . always."

IN FINE DAIRY PRODUCTS

Even during the trying days of war your Borden Company maintained its Pledge. Man power was short. Key people were away at war. The temptation to relax was always present. Today, the ever increasing demand for Borden's Milk and Ice Cream is our reward for having devoted the extra effort necessary to maintain quality during those trying times. Now the tremendously increased consumption of dairy products presents new problems. But today as always the name Borden's will be your guarantee that each of our products receives the extra care that makes it extra good.

Pearl River Junior College Homecoming October 22

Poplarville, Miss., Oct. 20.—Some thing new in the way of Homecoming attractions was being planned today by Pearl River Junior College alumni, past and present.

According to Mrs. Carl Stockstill, chairman of the Alumni Association, "We plan to present everything on an informal basis. Homecoming is the time for old graduates to mingle with their fellow students, and new ones, not the time for formal ceremonies that scare many away."

Pearl River's Homecoming is being observed on October 22, featuring a football game between the Wildcats and Copiah-Lincoln.

An attractive, colorful, calendar of events has been arranged, and more will be added, Mrs. Stockstill states. Several members of the college faculty are assisting her. Mrs. Johnnie Grice, Picayune, is contacting graduates.

A parade, tea, buffet style luncheon and a short business session will highlight affairs during the day. Numerous skits will be presented by graduates from various towns in Pearl River, Marion, Jeff Davis, Lamar and Hancock counties and several in Louisiana and Alabama. That night, the game and Homecoming dance will be the features.

"We urge all alumni of Pearl River Junior College to be here on October 22. The program gets underway after lunch, and will run continuous. This 1948 Homecoming is going to be different and we think it will be enjoyable to everyone," Mrs. Stockstill said.

A three-line message in the Echo's Classified Column will rent that spare room for you. Only 30c.—Advt.

Funeral Services For Joseph C. Tremoulet Held in New Orleans

Joseph Charles Tremoulet died at his home in New Orleans on Saturday, October 9 at 11:50 o'clock in the morning. His funeral was held Sunday afternoon at 2 o'clock with religious services at St. Rose de Lima Catholic church. Interment was in St. Louis Cemetery No. 3.

Mr. Tremoulet is survived by his wife Dot Forstall Tremoulet; two sons Joseph Charles, Jr., and Pierre and two daughters, Miss Olga Tremoulet and Miss Yvonne Tremoulet.

The Tremoulet family were residents of Bay St. Louis for a number of years.

Ammate To Kill Trees

Fall is a good time to kill out inferior hardwood trees by using ammate, according to Paul Millsaps, Extension forester.

When undesirable hardwoods are killed, pasture areas may be improved, or in an area of mixed timber stand the pines may be released for quality growth.

By applying ammate in the fall, the farmer can utilize his own labor. In a woodland, one acre can be released by using ammate at the cost of four dollars or less.

To apply ammate, frills to hold the crystals are chipped near the base of the tree to be killed. A frill should be about one-half to one inch deep and about the width of an axe.

About one tablespoonful of ammate crystals should be placed in each frill.

More frills are needed as the size of the tree to be killed increases. A general rule is two frills for a six inch tree three for a 10 inch tree and four frills for a 12 inch tree.

Ammate should be applied to tree bases or stumps close to the ground so that it will kill the roots. Placing the crystals on the cut surface of

a stump or in a frill is more practical and effective than spraying foliage.

The chemical should be applied before weather is cold enough for trees to become dormant. Mr. Millsaps cautioned, "Ammate is non-toxic to livestock."

Cost of ammate should not exceed 20 cents per pound when bought in 100 pound lots, Mr. Millsaps pointed out.

October is the month for sowing inoculated clover seed, and there are clovers well adapted to Mississippi which meet a number of different crop conditions.

Plant clover on a firm seed bed, advises W. R. Thompson, associate Extension agronomist. A seed bed may be firm by either letting rain settle the land or by cultipacking before planting.

Do not plant on a soft bed, as small clover seed will be buried too deep by heavy rain if the soil is loose.

Three clovers, White, Crimson and Red are especially recommended in Mississippi.

White clover can be planted on old land going into pasture, on prepared sod land or in combination with fescue. The recommended rate of seeding is five pounds per acre.

Fescue and clovers must be planted at the same time because the grass makes such rapid growth. Mr. Thompson pointed out. Clovers cannot be planted on old fescue sod without renovating, and the same is true on old heavy clover sod.

For best results, fescue should be frilled and covered one-fourth inch. However, it can be planted,

with a cyclone seeder broadcast, or with a one-row planter, using a small seed plate.

Crimson clover can be sown on oats, ryegrass, grazed kudzu, clipped sericea or on mineralized sod land. Seed at 20 pounds per acre. Be sure there is plenty of moisture before planting crimson, the agronomist stated.

Red clover can be sown on oats or Johnson grass. Rate of seeding is 15 pounds per acre.

None of the clovers do well when planted in high, heavy sod.

Sergeant Stanford Oliver Re-Enlists In Army

Fort Lewis, Wash.—Sgt. Stanford E. Oliver, 38, son of Mrs. Edward E. Oliver, of Bay St. Louis, today reenlisted in the Regular Army for three years, according to the U. S. Army Recruiting office, Fort Lewis, Washington.

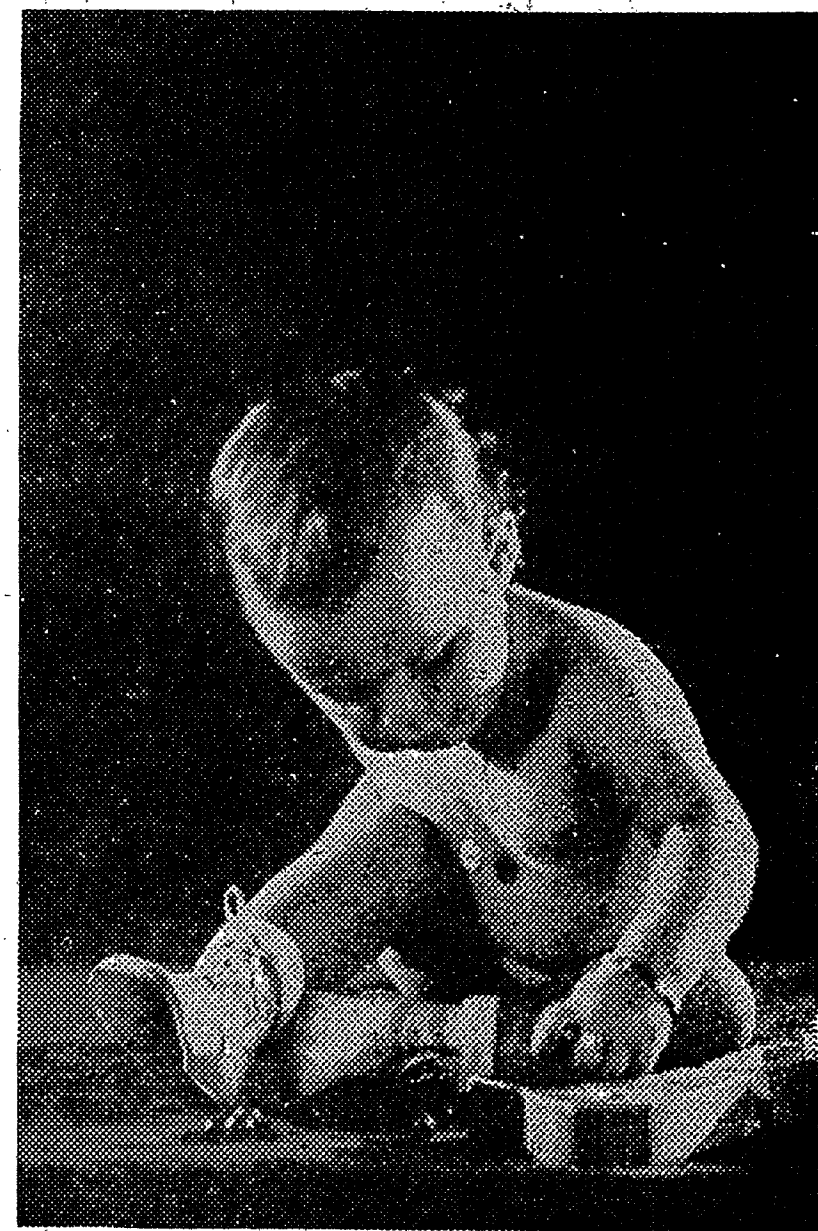

With the completion of his present tour of duty, Oliver will have tallied 20 years service towards his retirement. From 1929 to 1945 he was a member of the 5th Cavalry, and is now reenlisting to fill his own vacancy in the 2nd Cavalry Reconnaissance Troop of the famed "Spearhead" 2nd Infantry Division.

Get a FORD "PHYSICAL"

Every
5000
MILES

IT MAKES good sense to have your car serviced regularly. The wise motorist makes it a habit to have his car lubricated every 1000 miles, and a complete "Physical Exam" every 5000 miles.

Take a look at your Ford's speedometer, today. If it's nearing a "5000" mile reading, bring it "home" to us for your Ford's "Physical" — which includes a thorough engine, ignition, electrical, wheel and brake check... and a complete inspection of the body, inside and out.

Make it a habit to let us check your Ford regularly to keep the top performance that's built into your car. It's the right way to catch the "little things" that can develop to make driving unsafe. You'll be surprised how much money you'll save throughout the life of your Ford, with regular Ford care.

Your Ford Dealer invites you to listen to the Fred Allen Show, Sunday Evenings—NBC network. Listen to the Ford Theater, Friday Evenings—CBS Network. See your newspaper for time and station.

John M. Bass, III
Named Chairman Chest Drive At L. S. U.

Baton Rouge, —John Morgan Bass, III, of Bay St. Louis, Miss., was appointed this week by the student

council as general chairman of the committee to sponsor the initial Campus Chest drive at Louisiana State University.

The Campus Chest is a consolidation of all fund drives on the campus, including those of Red Cross, Cancer Fund, and March of Dimes. The committee is to work directly with the various campus groups, who in the past were responsible for the individual soliciting of each fund.

Bass, student council representative at large from the college of engineering, entered LSU as a freshman in September of 1942. After two semesters, he entered the army

for three years service. On returning in the fall of 1946, he entered the College of Engineering and will graduate in August of 1949 as a civil engineer.

He is a member of Kappa Sigma social fraternity, Samurati interfraternity and the American Society of Civil Engineers. He is the son of Mr. and Mrs. John M. Bass, Jr., of Bay St. Louis.

—Mr. and Mrs. Walter E. Boes of Bay St. Louis have returned from New Orleans where they were called due to the death of Mrs. Boes' sister Mrs. E. McCann of 5818 Magazine St.

ORTIE THEATRE SUNDAY - MONDAY "ON AN ISLAND WITH YOU"

Florida became a South Sea Island paradise for M-G-M's new tropical Technicolor musical, "On An Island With You," that will play Sunday and Monday at the Ortie Theatre, with a six-star cast including Esther Williams, Peter Lawford, Ricardo Montalban, Jimmy Durante, Cyd Charisse and Xavier Cugat and his orchestra.

Once the decision was made to film the new musical in natural settings, Produced by Joe Pasternak and Director Richard Thorpe flew over the entire Southern area in order to find suitable tropical and jungle backgrounds and also airstrip landings. Finally selected were such beautiful spots as Cypress Gardens, Lake Eloise, Sarasota and Key, off the Miami coast.

Some sixty-five players and crew members, as well as thousands of pounds of luggage, including portable sound effects, arc lights, and special cameras were brought from Hollywood. Once in Florida, Director Thorpe employed more than a hundred local persons for extra roles, as well as a bevy of swimming beauties to support Esther Williams in an underwater ballet number. Miss Williams and the extras wore specially designed sarongs created by Irene, M-G-M costume head.

"One reason we made the picture in Florida," Mr. Thorpe said, "is because of its wonderful light, the same kind of light that helped make 'The Yearling' such an outstanding picture. Technicolor, in particular, due to its sensitivity to light and shade, profits by Florida's uniform light."

Thorpe, who has been in the picture business for twenty-six years, has worked as film cutter, studio manager, writer, actor and director. His recent pictures include "Fiesta" and "This Time for Keeps."

P. M. A. NEWS

A limited supply of winter cover crop seed such as common vetch, Austrian winter peas, wild winter peas and crimson clover are still available under the purchase order program. Under this program the Government pays the greater part of the cost of these seeds.

Farmers desiring some of these seeds are urged to get in touch with the P. M. A. office prior to the closing date for issuing purchase orders which is October 31st, 1948.

The P. M. A. Office is located in the K. C. Hall at Bay St. Louis, Mississippi.

leum gas.

NATURAL Gasoline

RECOVERED FROM
NATURAL GAS...

The gasoline in your car may once have been natural gas! Yes, modern methods of processing raw gas as it comes from the well provide a cleaner, better gas for your use, and, from some gas, recover valuable liquid hydrocarbons which might otherwise be wasted. Some of these products of the gas well are kerosene, motor fuel and bottled gas for the farm and home. Recovery of liquid hydrocarbons from natural gas helps to meet the growing demand for petroleum products, and provides increased income for land and royalty owners.

Processing of gas is one of many functions of the United Gas organization... all of which have the ultimate purpose of assuring a continued dependable supply of natural gas for our customers.

UNITED GAS

Serving the Gulf South

"Wet" gas from the well is passed through a separator, which removes condensate liquids and foreign materials.

In a series of processes, the condensate is broken down into motor fuel base, kerosene and residual oils.

The gas passes through absorbers, fractionators, stills and distillation equipment which recover natural gasoline, normal butane, isobutane and propane.

The denuded gas then moves through a dehydrator to eliminate water vapors and is placed in pipe lines for movement to market. Natural gasoline is blended with the base motor fuel to produce "premium" and "regular" grades of gasoline.

The Sea Coast Echo

City Echoes

—E. P. Kirkpatrick left last week on a business trip to Boston, Massachusetts.

—Mrs. R. N. Blaise is now in Hotel Dieu having gone there for a checkup and observation.

—Mr. and Mrs. E. D. Kirby of Sherman, Texas, have announced the marriage of their daughter Alice to Sergeant Ira Lee Mitchel on Friday, October 1, 1948 at Sherman, Texas. Sergeant Mitchel, United States Army Air Force, is a son of Mr. and Mrs. W. E. Mitchel of Aaron Academy.

—Mrs. Alice Buckley returned last week to her home in New Orleans after several days spent here as the guest of Mrs. Maude Smith.

—Mrs. Claude Presley underwent a tonsil operation at a Gulfport hospital on Monday of this week. She is at her home here on Necaise Avenue but is still not able to be out.

—Mrs. Maude Smith is visiting Mrs. A. Evans at Columbia for a few weeks.

—Mr. and Mrs. Carl T. Smith, Sr., had with them for a short visit Mrs. Smith's sister Mrs. Leon Rannels of Birmingham.

ENTERTAIN FOR
MRS. L. H. PRINCE

Mrs. L. H. Prince was complimented with a surprise reception at her home at Kiln on Saturday evening with Mrs. George Curet, Mrs. A. L. Shepard, Mrs. Restin Heath and Mrs. Cornelius Favre planning the lovely party.

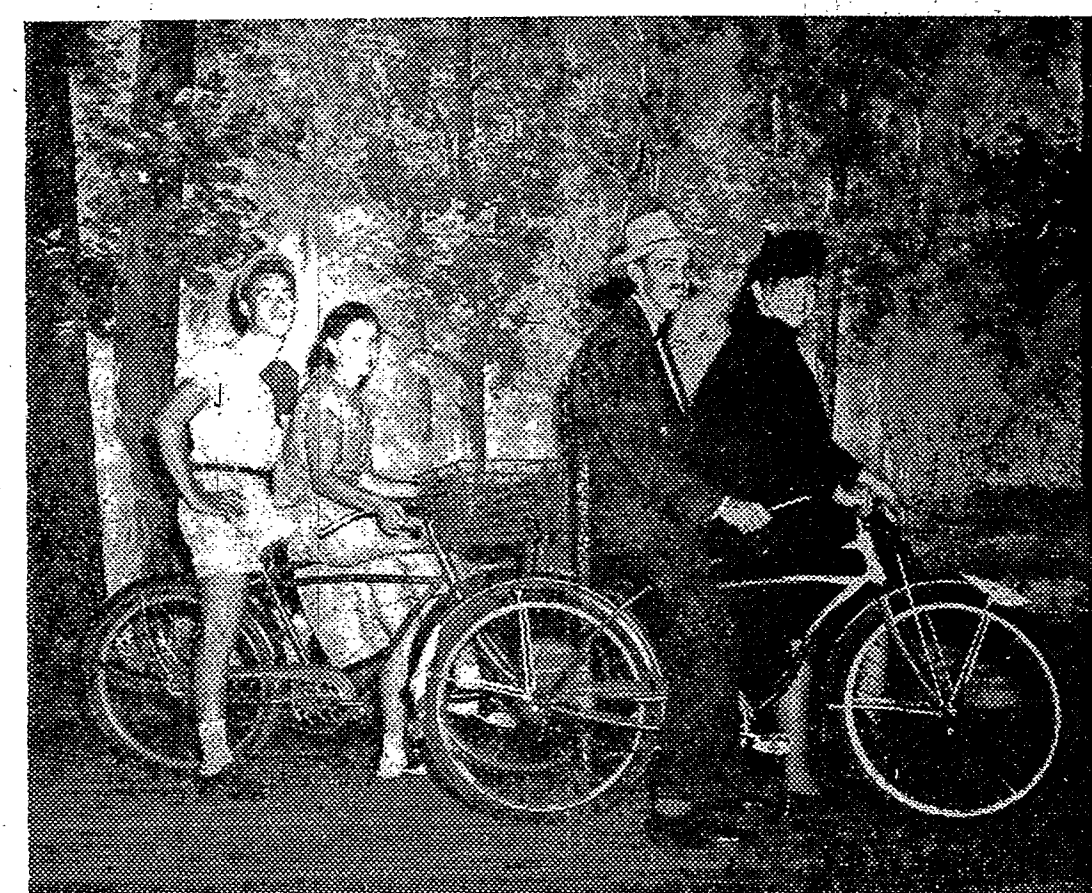

The large hall and reception rooms were bright with containers filled with yellow daisies. Pink radiance res centered the lace covered table in the dining room where Mrs. Curet poured coffee and Mrs. Heath poured tea.

Mrs. Prince has sold her home at Kiln to a New Orleans family and she and her grandson Larry are leaving shortly for Wisconsin where they will reside in the future.

Attending from Bay St. Louis were Mr. and Mrs. Norton Haas, Mr. and Mrs. J. R. Scharif, Mrs. M. L. Ansley, Mrs. Evelyn Terrell, Miss Lois Haas, and Miss Juanita Loveless. Other guests were Mr. and Mrs. Claude Mauffray, Jr., Mrs. Oliver Garriga, Mr. Joe Gonzales, Mr. and Mrs. Jarius Necaise, Mrs. Michael Necaise, Sr., Mrs. Frank Ladner, Mr. and Mrs. W. D. Davidson and their guest, Mr. Curet, Mr. Shepard, Mr. Heath and Mr. Favre.

Staff Sergeant and Mrs. Dennis E. Helms, who were recently married, are shown cutting their wedding cake. Mrs. Helms is the former Miss Marie Violette Arceneaux, daughter of Mr. and Mrs. E. J. Arceneaux, Sr., of Bay St. Louis.

A one-act play "How to Prevent Fires" was presented by Burge Bankston, Anna Jean Ladner, Teddy Morel and Myrtle Cook, at Bay High School under the direction of Mrs. Ellis Guillory in keeping with National Fire Prevention Week. —Photo by Tony Scaffidi.

No! I don't want
just any ordinary vitamin
preparation, I want

HADACOL

It contains both vitamins
and minerals—in liquid
form—it's easy to take and
I give it to my children and
grandchildren, too!

It is now known that a Vitamin deficiency is rarely of a single Vitamin; it is nearly always of several—then too, many Vitamins do their work better when taken in connection with Minerals.

Thus, much to be preferred is a dietary supplement formula such as HADACOL that contains the essential Vitamins in the Vitamin B Complex formula, and at the same time contains 4 of the most essential Minerals of the system.
